REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The claims are allowed over the art of record including Lee (US 6,344,637) because the claimed combination in the new claims are not shown or suggested by the art of record but not because Lee is assigned to the same assignee, LG Electronics, Inc. as the present application as argued by the applicant. This argument is not applicable to Lee because the issue day of Lee is 2-5-2002 which was more than a year before 7-13-2004, the effective filing day of the present application, that is, Lee is a 102(b) type reference.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Philip H. Leung whose telephone number is (571) 272-4782.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tu B. Hoang can be reached on (571)-272-4780. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
